Conference Center, Washington D.C., USA

Private invitation for SIGNIUM partners only.

Please join the SIGNIUM Spring 2016 Conference (Washington DC) for an insightful interview and discussion with a European leader in high speed rail transportation, Nicola Shaw, CEO of High Speed 1 (HS1), UK. Leading over 1000 employees, Ms. Shaw will share her insight and perspective on significant talent and leadership issues in a fast paced and high profile private-public business partnership.

Nicola Shaw was appointed CEO of High Speed 1 in April 2011. HS1 Ltd holds the concession from the UK government to operate, manage and maintain the high-speed railway infrastructure and its stations until December 2040. She was previously a Director of FirstGroup PLC. Her career has spanned both public and private sector in the UK and abroad. Before joining FirstGroup Nicola had several regulatory, commercial and operational roles, including positions with the SRA and the ORR, as well as with Bechtel, Halcrow, the World Bank and London Transport.

Nicola is also a director of Ellevio AB, a Swedish electrical distribution company and in July 2015 was asked to report to the UK Government on the future structure and financing of Network Rail. The Shaw report is due early next year. Nicola was also awarded a CBE in the Queen's New Year's Honours List 2015.

This discussion will be moderated by Brian Renwick, SIGNIUM China.
